Please return completed application forms to:  
West Souris River Conservation District  
Box 339, Reston, MB R0M 1X0

**Type of Watering System:** Solar

**GENERAL TERMS AND CONDITIONS:**

- The registered landowner or renter must make out all applications.
- Replacement materials or regular maintenance costs are ineligible for assistance; and
- The remote watering system must be implemented within the WSRCD;

**LANDOWNER RESPONSIBILITY:**

- Shall not sell, trade or exchange remote watering system materials for a minimum of 5 years;
- Not alter, change, remove or modify the project without written consent of the District for 5 years;
- Be responsible for reasonable maintenance of the project;
- Provide access for inspection or evaluation by WSRCD Staff or Board when requested;
- Consent to the WSRCD establishing appropriate signage for the project if desired;

**CONSERVATION DISTRICT RESPONSIBILITY:**

- Will pay 100% of the total cost of remote watering system materials (may include pump, pipe fittings, trough, tank, etc.)
- Provide aerial photographs of the project land;
- Provide the appropriate technical assistance;
- Inspect the project upon completion;
- Reimburse applicants for the appropriate share following receipt of original itemized paid receipts;
- Retain the option to erect signage promoting the Remote Watering System Program.
- Applications for funding are subject to Board approval.

It is understood that this agreement shall indemnify and save harmless the West Souris River Conservation District, their agents, engineers, servants and/or employees from any liability which may result from the execution of the project.

I hereby declare that I have read the conditions of the Souris River Riparian Enhancement Program and that I agree to abide by the terms of the policy; and that I agree to co-operate to the fullest extent with the West Souris River Conservation District in completing and maintaining the project as outlined above.
